ANNUAL GRADUATE STUDENT PROGRESS REPORT
June 2008 – June 2009
Department of Biochemistry and Molecular Biology

Must be completed and submitted to Lori Fancher by June 1, 2009

Name: _______________________________________________

Ph.D. □  M.S. □  Plan of Study Approved □

Dissertation or Thesis Title: ______________________________________

Dissertation or Thesis Advisor: ______________________________________

Date entered program: ___________________ Expected completion date: ___________________

Preliminary examination: ___________________ Candidacy examination: ___________________

(Date passed)                      (Date passed)

Total credit hours toward degree: ______________________________________

Total credit hours of dissertation or thesis completed: ______________________________________

Laboratory Rotations: Attach a separate summary describing your laboratory rotations (complete once)

Courses taken this past year:

Fall Semester (year: ___________)
Course No. and Title □  Units □  Grade

Spring Semester (year: ___________)
Course No. and Title □  Units □  Grade

Courses planned for next two semesters:

Fall Semester (year: ___________)
Course No. and Title □  Units □  Grade

Spring Semester (year: ___________)
Course No. and Title □  Units □  Grade
